bhughley@stpaulsindy.org
(317) 253-1277 ext. 29

Salary: \$55/call. Monthly average: \$825

Availability: Auditions open now. Position begins August 30, 2023. Choir sings August through May. Choir is on pilgrimage singing daily evensong at Ely Cathedral (UK) July 12-22, 2024.

Job Description:

We seek a singer strongly proficient and experienced as both an ensemble and solo musician, with the ability to perform repertoire of various periods and styles. Eight staff singers form the core of the intergenerational choir, and each staff singer leads a section of committed, auditioned volunteers. Extremely strong sight-reading skills are required, as each Sunday the choir sings three anthems in addition to biweekly Choral Mattins (Morning Prayer) and monthly Choral Evensong services. Staff singers support the high quality of choral performance in services, recordings, orchestral performances, and tours.

Staff singers are compensated as employees of the parish rather than as independent contractors. There are a minimum of three calls per week (one rehearsal, two services). Each call is \$55. Average monthly salary is \$825. The staff singer contract is August through May (plus UK pilgrimage in July 2024). An additional fuel allowance is provided for singers traveling more than 50 miles.

Audition is by appointment. Bring a prepared piece. An accompanist will be provided.
